Animal Species: _____

Remember:

- Contact Dr. Holmes via **text at 480-452-4974**.
- One form/CVI per species per family.
- Remove blankets, coats, etc. prior to inspection.
- CVIs will be e-mailed to you within 10 days.
- Inspection does not constitute a VCPR visit. If an animal is evaluated, additional fees will be assessed.
- Write down sex as **M, F, MC** (castrated.)
- To minimize errors, please write down the **COMPLETE** official ID (pigs, sheep, goats, cattle where needed.) **Please space 840 numbers as shown:**
840 003 140 156 004 (840 tag)
AZ1486-0009 (scrapie tag)
86AJA9604 (9 digit NUES)

	Animal Name	Ear Notch/ Bangle	Official USDA ID – SEE EXAMPLES (840, scrapie tag, NUES, etc.)	Color	Age	Breed	Sex

For **cattle**, must be tagged with Electronic Identification (EID) tag. USDA EID ear tags can be placed, if necessary at time of inspection for an additional **\$5** fee. (Exception is if they were previously tagged with other USDA identification prior to November 5, 2024.)

For **swine**, the official permanent identification for each animal is a national premises identification number applied as a *tamperproof* ear tag (the tag **MUST** possess the US shield emblem), **and** an ear notch that conforms to the universal swine ear notch system. USDA 840 RFID ear tags can be placed, if necessary at time of inspection for an additional **\$5** fee.

For **sheep and goats**, the official permanent identification for each animal is the official scrapie identification tag. All blankets, coats, etc. **MUST** be removed before animals can be inspected.

All tags must be in the animal's ears before inspection and before a CVI will be issued.

Forms of payment accepted: cash, check, Zelle, Venmo (gilarivervet), credit card, and Paypal (gilarivervet@gmail.com).

Additional Individual Animal Information:
